

Thank you for taking part in the babyPHONO study. Please complete this after your baby has had their heart sounds recorded.

How much do you agree or disagree with the following statements:

2) I felt comfortable with the way the midwife/nurse/doctor recorded the heart sounds with the digital stethoscope

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
-------------------	----------	---------	-------	----------------

3) I understand why the clinician was recording the heart sounds

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
-------------------	----------	---------	-------	----------------

4) The midwife/nurse/doctor was able to record the heart sounds within a reasonable amount of time

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
-------------------	----------	---------	-------	----------------

5) Would you be comfortable with recorded heart sounds being used to reassure us that the heart was okay, instead of a heart scan (echo)?

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
-------------------	----------	---------	-------	----------------

6) Do you have any other comments about the use of recorded heart sounds to check for problems with the heart?

When completed, please hand this questionnaire back to one of the staff members looking after your baby. Thank you for your participation in this research.

Please note, if you have concerns about the care you or your baby have received, please refer to the instructions on the back of this questionnaire about how to inform us of these. This questionnaire should only be used to inform us about your thoughts on the recording of heart sounds and the babyPHONO research study.

Participant Study Identification Number:
(clinician recording heart sounds fill this in)

Back of questionnaire

This questionnaire should only be used to inform us about your experience of the recording of heart sounds as part of the babyPHONO research study.

If you have concerns about the clinical care you or your baby has received, or would like to discuss aspects of this care, you can ask any member of staff for further information about the Patient Advice and Liaison Service (PALS).

Further information about PALS can also be found through the following link:

<https://www.sth.nhs.uk/patients-visitor-information/patient-advice-and-liaison-service-pals/>
